A BRIEF INTRODUCTION OF

ALMIGHTY ALLAH

FOR NON MUSLIMS

You must be aware that Muslims believe and accept ALLAH as their one and only God, and worship Him exclusively without associating anyone with Him.

اللهم
إذَا حَمِّلْنَا[ۖ]
أَنْتَ وَلَنْ نُرْجِعَ[ۖ]
إِلَيْكَ[ۖ]
أَنْتَ أَنْتَ[ۖ]
وَلَا يَنْهَا[ۖ]
نَفْسٌ[ۖ]

At the same time, you might not be aware that Muslims believe that Allah is the God of everything in the entire universe and He is the God of the whole of mankind.

**In this case,
we request
you to go
through this
booklet to
know who
Allah is,
why He
deserves to
be accepted
as the One
True God and
discover how
you can
achieve
nearness
to Him.**

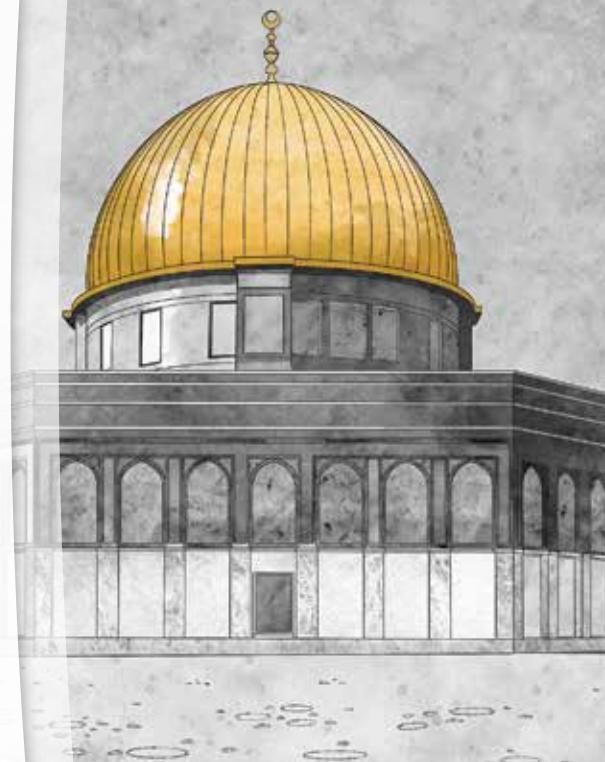

Allah is an
Arabic word
meaning
"the God".

Allah is the
only true God,
and there is
no other god
besides Him.

**Allah is all
alone and has
no partner,
no father,
and no son.
And He was
not born
nor begotten.**

Allah has
no image,
no statue,
or likeness,
and no one is
comparable
to Him.

الضار

**Allah is
the first and
He is the last.
There is no one
before Him or
after Him.**

Allah
is the creator
of the heavens
and the earth.

Allah created
the Sky,
the Sun,
the Moon,
and the Stars.

Allah created
the Earth,
the Sea,
the Rivers,
the Trees, and
the Mountains.

Allah
created all
of mankind,
beginning
with Adam,
the first
person who
was created
from dust,
while later
generations
are created
from sperm
drops.

Allah created
the Animals,
the Birds,
the Fish and
the Insects.

Allah is the
Controller of
everything.
He controls
the entire
universe.
The Sun,
the Moon
and the Stars
are subjected
to Him.

Allah brings
out the day
from the
night
and the night
from the day.
He sends
the rain,
controls
the wind,
and evaporates
water into
the clouds.

**Not a leaf falls
nor rain drops
except by
Allah's
knowledge
and His
permission.**

Allah provides sustenance to the entire world.

Allah provides
all kinds of
food that
human beings
consume.

Allah alone
provides
sustenance
to the animals
in the forest.

Allah alone
provides
sustenance to
the fishes in
the ocean.

Allah alone
provides food
for the birds
flying in
the air.

Allah alone
provides
food for
the reptiles
and insects
living inside
the burrows
and under
the rocks.

Allah is the
All-knowing.
He knows
everything
beneath
the sky
and above
the earth.

Allah is
All-Seeing.
He sees
everything
that we do.
No one has
the power to
escape or run
away from
His dominion.

**"Allah is
All-Hearing.
He hears
everything,
whether it is
said aloud or
silently or
even in
secret".
Whether in
the light of
the day or in
the darkness
of the night.**

Since Allah is
the Lord,
the Creator
and the
Provider of
the whole
universe,
He alone
deserves to be
worshiped,
and no one
else besides
Him deserves
to be invoked
or worshiped.

Allah created man with the ability to think and reason, allowing him to live a conscious & purposeful life by worshiping Him alone.

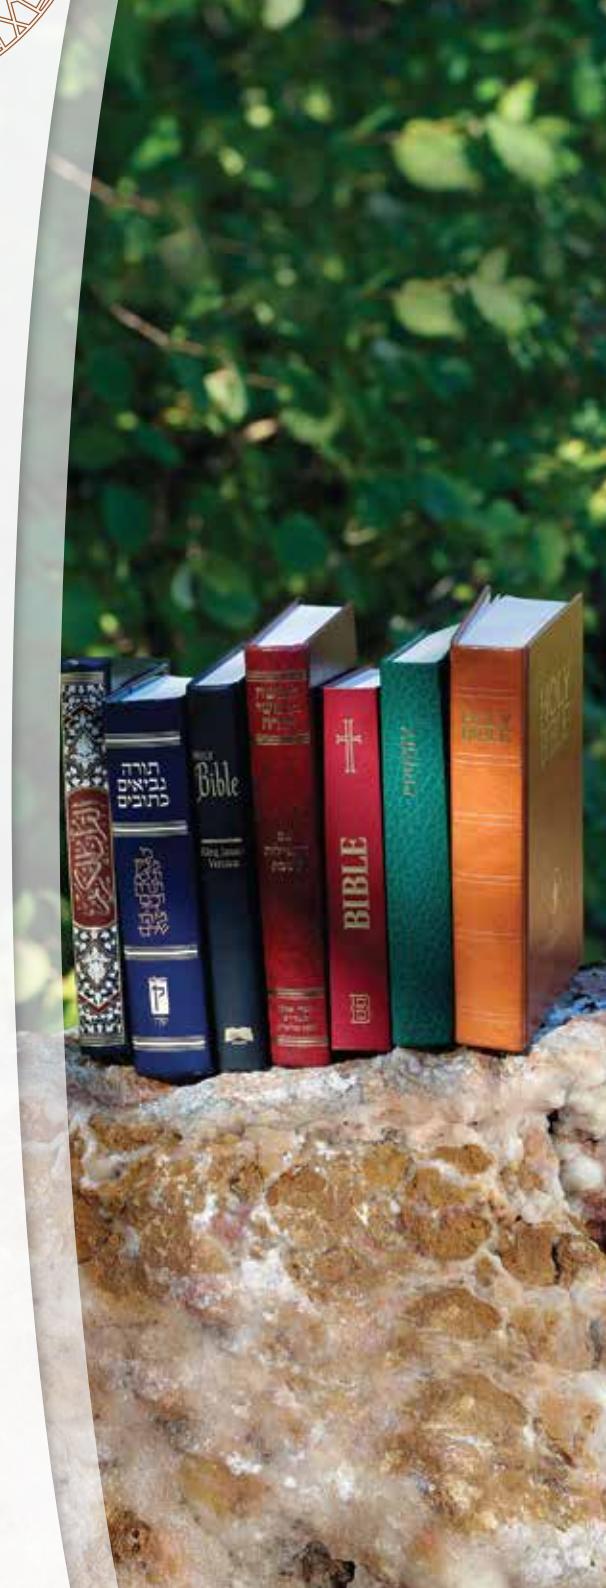

To guide mankind to the right path by worshiping Him alone, Allah sent many messengers & prophets who throughout history, from Adam to Muhammad (peace be upon them all), called mankind to worship the one and only true God.

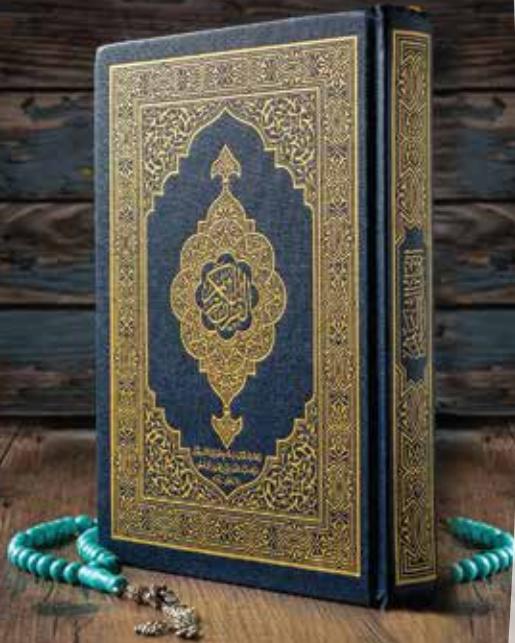

**Additionally,
Allah sent His
revelations -
the Torah,
the Psalms,
the Gospel
and the Qur'an-
to guide
mankind to
worship Him
alone and to
follow His
commandments.**

Allah completed His guidance and concluded His proof on mankind by sending His prophets and messengers, as well as His revelations, to all.

Allah will shower His favors on those who shape their lives in accordance with His divine guidance in this world and grant them Paradise in the hereafter.

On the other hand, those who refuse to submit to the commands of Allah, and follow wrong ways, shall lose His favor in this world, and undergo severe punishment in the Hereafter.

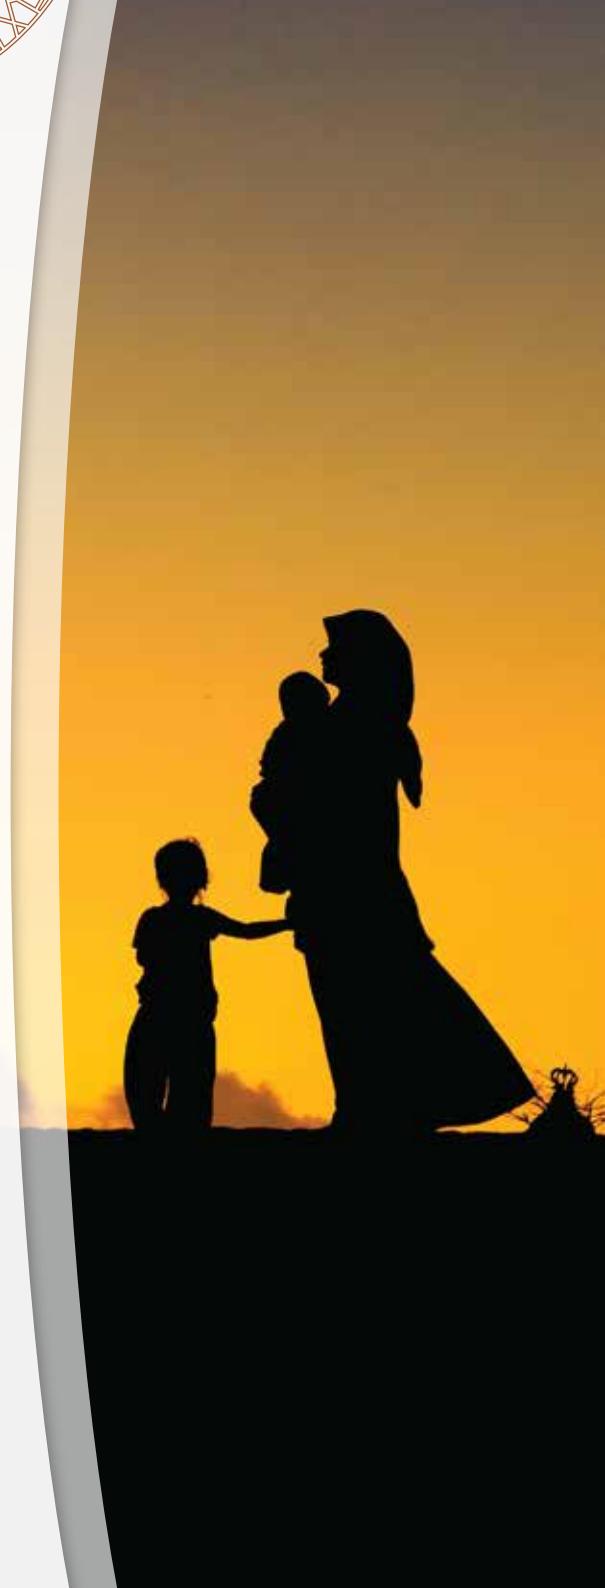

As Allah is
admittedly
the Beneficent,
the Merciful
and
the Forgiver,
He is also
the Restrainer,
the Avenger
and
the Dispenser
of Justice.

**Allah will
reward the
righteous
for their piety
and punish
the wrongdoers
for their
misdeeds.**

The success
of this world
and
the hereafter
belongs to
those who
understand
the fact that
"Allah is the
one and only
God", accept
Him sincerely
and follow His
commands.

**Let us all
sincerely
turn to Allah,
the Creator,
the Sustainer,
the Lord and
the Merciful
and serve
Him alone
wholeheartedly
and never
invent objects
of worship
other than
Allah.**

Let us make a resolution to live our lives in accordance with Allah's commandments and pay our homage and gratitude to Him for the countless favors that He has bestowed upon us.

Allah Almighty says in the Holy Qur'an:
"O mankind, worship your Lord, who created you and those before you, that you may become righteous."
(02:21)
